Find Your Zelle® Contacts Faster

AB   The Z logo indicates that your contact is already enrolled with Zelle.

AB   If you don't see the Z logo, don't worry. You can still send money to the recipient. If you are sending money using their email address or U.S. mobile number, they simply have to enroll in order to get it.

Select from phone contacts

Note: Contacts have to sync with EWS which can only be done once every 24 hours. Your contacts won't show until you've logged out & logged in again. If you try to log out on one phone and log in on another within 24 hours, the first phone's contacts will show up until the second phone's contacts syncs.
