

ONLINE AND MOBILE BANKING SETUP

Follow this fast and easy guide to Online and Mobile Banking to ensure a smooth transition on October 21st.

ONLINE BANKING

1. Visit academybank.com to set up your new password.
2. Please use your existing User/Access code during your first login. **YOUR PASSWORD WILL BE UP TO THE FIRST 17 CHARACTERS OF THE EMAIL ASSOCIATED WITH YOUR ACCOUNT (all lower case).**
3. Once signed in, you will be required to update your password, email, and security questions.

MOBILE BANKING

1. You must log in to Online Banking prior to Mobile banking.
2. Download the Academy Bank app through the App Store or Play Store.
3. Once downloaded, use your Access ID and new password that was set up through Online Banking to sign into the mobile app.
4. If you use account alerts or text message alerts, you will need to re-register for those features.
